PROFILE

Dedicated and passionate Web Developer with expertise in modern frontend technologies including React, JavaScript, and responsive design frameworks. Recent CSE diploma graduate with hands-on experience in creating dynamic web applications and strong proficiency in version control systems.

WORK EXPERIENCE

Shopsy

- Shopsy is a modern and responsive e-commerce platform built using React, Vite, and Tailwind CSS. It is designed to provide users with a smooth shopping experience.

Swift Express Cargo

- A modern, complete, and responsive website created for "Swift Express Cargo." This project is built using HTML and Tailwind CSS. It serves as the digital presence of a cargo and logistics company, providing details about their services, pricing, and customer support.

Book Vibe

- Developed a modern and responsive book collection web application using React and TailwindCSS, featuring dynamic API integration, categorized book listings, search & filter functionality, and a clean, user-friendly UI.

EDUCATION

Diploma in Computer Science Engineering

2021-2022

Thakurgaon Polytechnic Institute
